we're building a better tomorrow.

Welcome to Anderson & Morgan.

We're in this together. Your team and ours.

Our NYC personal injury law firm is known for its compassion, ability to assess the value of injuries, and outstanding trial and settlement skills.

Our mission is to maximize returns for our firm's clients who have been wrongly injured through accident, medical error, or product device liability by in depth analysis of their claims, lawsuit, trial preparation, negotiation for full value, and, if necessary, trial.

Our personal injury attorneys offer clients years of experience in complex litigation and are highly skilled in their respective areas of practice. As a result, several of our attorneys have earned an AV rating, the highest possible designation from Martindale-Hubbell®, an esteemed legal organization that facilitates a peer review process for rating lawyers and firms on legal ability and general ethical standards.

Each member of our firm has handled multi-million dollar cases with first-rate results.

NEWS | 05/04/11 Kickbacks - Fortune 500: Because of the efforts of our attorneys no arrest, or indictment... Read More

INTRODUCING THE SEQUOIA...

DISTINCTIVE LUXURY CONDOMINIUM RESIDENCES

LOCATED IN THE HEART OF FLUSHING, QUEENS.

DESIGNED BY AWARD-WINNING

RENNOWN ARCHITECT RAYMOND CHAN,

THIS IMPRESSIVE 9-STORY BUILDING IS THE FIRST

MANHATTAN-STYLE ALL GLASS CURTAIN WALL

CONDOMINIUM TO COME TO FLUSHING.

Spacious, Convenient and Unique

With just two private residences on each floor, THE SEQUOIA offers a unique and intimate residential experience for you and your family with all the amenities of a Manhattan high-rise. Each unit includes European-style kitchens and bathrooms, walk-in closets, individual heating and air conditioning, washer and dryer and private glass balconies.

Designed with long-shel principles in mind, each spacious residence features 10 foot high doors, 10 foot high ceilings and floor to ceiling windows with either east or west exposure to provide an abundant source of natural light throughout your home. All residences on the fourth floor and above offer a spectacular view of the New York City skyline as well as Queens and Long Island.

Your new home at THE SEQUOIA is situated in a quiet neighborhood away from all the noise and commotion, yet conveniently located within walking distance to downtown Flushing with easy access to transportation to midtown Manhattan and both airports.

A Wise Investment in Your Future

Welcome to the future of Flushing, NY ...

THE SEQUOIA

Flushing's only Manhattan style boutique condo development. As we near completion of this all glass structure located in the heart of Flushing we are now ready to offer for sale 5 unique commercial community usage condos or the entire 8,000 square feet.

Located within walking distance of Flushing's thriving downtown area, its proximity to NYC and area airports make it NYC's 2nd largest Chinatown and Queens' largest urban center.

Whether your business takes you to NYC or worldwide, Flushing's location is ideal.

Flushing boasts two major hospitals, Queens college, Billie Jean National Tennis Stadium (home of the US Open), Calfield (NY Mets baseball), Queens Botanical Gardens, Flushing Meadow Park and it's one of NYC's finest upscale destinations.

The Sequoia is offering the following:
Five commercial community usage condos or 8,000 total square feet on our lower level. The location is perfect for medical offices, schools, labs, daycare, non profit organizations churches, etc.

- Private sidewalk entrance with full service elevator
- 13' ceilings with individual heating and air conditioning
- Walking distance to downtown Flushing and all transportation.
- (Area airports, trains, buses to Manhattan and outlying towns)
- Walking distance to Flushing Medical Hospital
- Five individual condos or the entire 8,000 square feet to develop to your specification

Please contact Kathy Tsao © Prudential Douglas Elliman (718) 888-9909 - Visit our web site at www.4205Parsons.com

A Wise Investment in Your Future

Building Amenities:
